**EMBASSY OF GHANA
LUANDA**

RESUMPTION OF VISA AND OTHER CONSULAR SERVICES

Following the opening of Ghana's Kotoka International airport to commercial flight commencing 1st September, 2020, this Embassy has the honour to inform all and sundry of the resumption of its visas and other consular services.

NEW TRAVEL REQUIREMENTS TO GHANA

The following are for your kind and strict compliance:

- Visitors are reminded to wear face masks.
- All passengers arriving in Ghana must be in possession of a negative COVID-19 PCR test result from an accredited laboratory in the country of origin and the test must have been done not more than seventy-two (72) hours before the scheduled arrival in the country. All airlines have been instructed to ensure compliance with the directive for all passengers wishing to travel to Ghana and those airlines which fail in this regard will be duly sanctioned;
- All passengers would be required to undergo a mandatory COVID-19 test at the airport terminal upon arrival in Ghana at a fee of one hundred and fifty United States dollars (US\$150.00) to be borne by the passenger. The test result will be available within thirty (30) minutes;
- Children under the age of five (5) years would not be required to undergo testing at the airport;
- Persons who arrive under emergency circumstances such as diverted flights, would not be required to undergo testing if they do not leave the airport or if they remain in transit and do not leave their holding hotel;
- Airline crew are exempt from the pre-departure and arrival testing and should follow airline policy for testing;
- Passengers who test positive for COVID -19 would be cared for by the health authorities for further clinical assessment and management; and
- Passengers who test negative will be admitted into the country and will be advised to continue to observe COVID-19 safety precautions during their stay in Ghana.

Counting on your usual cooperation.
